

Special Bulletin
from the
Cool Spring Terrace
Civic Association

To the residents of Cool Spring Road and Cool Spring Lane. There will be a special hearing on Monday, March 24, 2003 at 10:00 a.m. on the appeal petition from the Takoma Tree and Landscaping business, now located at 2310 Cool Spring Road.

It is imperative that residents of this area attend the hearing ensuring that the concerns of the residents/neighbors are heard. It should be noted that Mr. Marvel will have a better chance of having the court decision reversed if there are no residents to speak on or protest the expanding development of Mr. Marvel's Takoma Tree & Landscaping business.

It is the hope of the elected officers of the CSTCA that members and residents will attend this hearing - en masse - showing support for the concerns of the Association and residents along this strip of Cool Spring Road. Information on this hearing is below. Hope to see you all there.
